### Verse:

God You’re powerful and right  
You protect me day and night  
You are loving, You are kind  
Oh-oh

God You’re always in control  
You know everywhere I go  
You are good and You are wise  
Oh-oh

There is nothing  
There is nothing that You can’t do  
You can do anything  
There is nothing  
There is nothing too hard for You  
You can do anything

With you nothing’s impossible
