WORD	QUESTION
SPIDER	<p><i>How many eyes do you think a spider has? (Allow kids to guess) 99% of the world's spider species have eight eyes! But even with eight eyes, many of them still have trouble seeing.</i></p> <p><i>Who doesn't have any trouble seeing though? (God) Yes! He sees everything we ever do, say, think, or feel. He sees us in every situation we're in, and He knows every problem we face.</i></p>
PARROT	<p><i>Mia thinks it's funny to teach her grandmother's parrot to say a bad word. When she's confronted about the parrot's new word, she denies having anything to do with it.</i></p> <p><i>Even if nobody else knows what she did, can Mia keep anything hidden from God? (No) Why not? (Because He sees and knows us) That's right! God sees and knows everything we've done and everything we'll do in the future. We can't keep anything hidden from Him!</i></p>
SNAKE	<p><i>Garrett knows his sister is terrified of snakes. She gets Garrett in trouble one day, so he decides to put a fake snake in her bed to get revenge.</i></p> <p><i>Do you think Garrett's actions please God? (No) Why? (Because it's not kind, because he's reacting out of anger, etc.) God sees everything we do and knows every thought we have. Whether they are things that please Him or not, He still loves us, but He has to punish sin. That's why He sent Jesus to take the punishment for the wrong things we do!</i></p>
RIVER	<p><i>Isaac and his older brother go canoeing on a river near their house. A storm comes later that day, and they have to leave their canoe on the bank and walk back home. Isaac worries they will get lost and be stuck out in the woods alone.</i></p> <p><i>When we feel lost and alone, what can we remember about who God is? (That He sees and knows us) Yes! God sees and knows everything about us, and He wants to help us when we feel alone.</i></p>
LIZARD	<p><i>Some guys in Jayden's class are picking on him. He laughed it off at first, but now it's starting to get out of control. They even put a lizard in his backpack just to scare him. When he finds it, they all point and laugh.</i></p> <p><i>When unfair things happen that are completely out of our control, what can we remember about God? (That He sees and knows us) Yes! God sees and knows everything that happens to us, and He cares about everything we go through.</i></p>
COCONUT	<p><i>Angel's mom has to make three coconut cakes for her work party, and Angel can tell that her mom is stressed out. She offers to help her bake the cakes, even though she'd rather hang out with her friends.</i></p> <p><i>Angel may never get recognition from others for choosing to help her mom, but who sees the good things we do? (God) Yes! God sees and knows when we do things for others, even if no one else ever knows.</i></p>
CATERPILLAR	<p><i>What does a caterpillar turn into? (A butterfly) Yes! God knows exactly what the butterfly will look like, how long it will live, and everything it will do before it ever hatches from its cocoon.</i></p> <p><i>Just like God knows everything about a butterfly's future, does He know about our lives, too? (Yes) Of course! God knows every good thing and every hard thing we will face in the future. Nothing that happens to us is a surprise to Him!</i></p>
